PROJECTS

Qurba User Web
Website for social food ordering where users can see offers and meals and interact with them via like comments, shares, and orders from restaurants.

- Was responsible for starting the website implementation from scratch.
- Implemented social foodies' news feed with posts, comments, replies, likes and shares.
- Integrated state management using NgRx, getting user addresses using the google map search and map moving.
- Integrated Google, Facebook login.
- Techs: angular, angular universal, NgRx, Google maps API.

Code To Geeks
A medium-like website in which users can follow up with the latest tech articles, and interact with them.

- My role was to design and implement the front end of the main website completely
- Techs: Nextjs, TypeScript, Redux, Redux Toolkit, SSG, SSR.

Shopping Cart API
A complete E-commerce API with PayPal payment method and all its basic features, authentication, products, carts, orders, reviews, and a user wish list.

- Completely implemented and developed the API from scratch
- Implemented user access rules: admin, user and guest, pagination, filtering and sorting to all lists.
- Implemented order status tracking through email service.
- Techs: Node.js, Paypal-rest-SDK, Express, Mongoose, Token-based authentication.

PROFESSIONAL SKILLS

Problem Solving	●●●●○
Algorithms	●●●●○
data Structures	●●●○○
OOP	●●●●○

STRENGTHS

- Back-End

Node.js REST APIs Express Joi
ElasticSearch MongoDB Mongoose

- Front-End

NextJS React React native Redux
GraphQL Apollo Client
Angular NgRx angular universal
HTML CSS Bootstrap AntD

- Programming Languages

JavaScript TypeScript C++ C

- Other

Git GitHub Linux Agile
Google Analytic

ACHIEVEMENTS | ACM

Participated in Egyptian Collegiate Programming Contest (ECPC) 2018. Achieved 9th place in the Local contest of Alexandria University to be qualified to ECPC.

Oct 2018   Alexandria, Egypt

LANGUAGES

Arabic	●●●●●
English	●●●●○

EDUCATION

B.Sc. in Electronics and communication engineering
Alexandria University, Egypt
Oct 2014 – Jun 2019
